Dear Friends,

CISC is celebrating its 50th anniversary in 2022. To share the positive impact we have made over the decades, we are inviting you to send in your stories about how CISC has made a difference for youth, families, and older adults.

Share your stories and feedback at events@cisc-seattle.org.

Expanding in-person services

Throughout the pandemic, CISC has been serving the community through in-person appointments and virtual or phone-based services. With the decrease in COVID cases and a recent announcement from the Governor, we will be expanding our in-person services over the coming weeks and months.

Our Seattle Chinatown International District office is within walking distance or a bus ride for hundreds of our clients. We have expanded our ability to meet with family members and older adults to provide information and assistance and help them access services that improve their quality of life. Our Sunshine Garden Chinese Senior Community Center is now providing Tai Chi and other in-person activities in addition to virtual programming.

Anti-Bias and Anti-Hate program raising awareness

King County recently awarded CISC funding to support our Anti-Bias and Anti-Hate program and our continued participation in the Coalition Against Hate and Bias. Team members are working to raise awareness about the importance of reporting incidents so we can advocate for the community and provide information, referral, and support to individuals. We encourage you to share information about this program and to post flyers at area businesses and organizations.

To anonymously report hate and bias incidents, community members can contact CISC staff at:

- Cantonese-English: (425) 240-5825
- Mandarin-English: (206) 393-2110
- Russian-English: (425) 326-9497
- Spanish-Español: (425) 598-5436
- Vietnamese-English: (206) 235-4372
- Email: antihb@cisc-seattle.org

View and share our flyers to raise awareness about our efforts.
