Please GiveBIG to support seniors, youth, and families
The annual GiveBIG campaign is underway, which is one of the largest statewide fundraising campaigns for non-profit organizations in our state.

CISC serves immigrant communities who need us now more than ever before. Through your contribution, we will be able to support the academic success of youth, connect families to programs that improve their quality of life, and ensure seniors are active and staying healthy. In addition, we are continuing to respond to needs and challenges during the pandemic including the rise in anti-Asian hate and racism.

We appreciate your help to reach our fundraising goal during the GiveBIG campaign. On behalf of the youth, families, seniors and disabled adults, and every CISC team member, thank you!

CISC commemorates AA&PI Heritage Month
CISC is dedicated to supporting immigrants and their families by creating opportunities for them to succeed, while honoring their heritage. In May, we will join in celebrating AAPI Heritage Month with a series of events and activities that highlight diversity and cultural understanding. Our youth, families, and older adults will have the opportunity to participate in book readings, get hands-on with arts & crafts, visit the Seattle Asian Art Museum, and attend a healthcare workshop by Overlake Medical Center & Clinics.
Celebrate AA&PI Heritage Month at Seattle Center

Join us this Sunday to celebrate Asian American and Pacific Islander heritage and culture at the Seattle Center from noon to 5pm. CISC is a proud sponsor of the event, which will be back in person this year. You'll be able to experience diverse cultures, traditions, and history through art, music, and dance.

Seattle Sounders visit preschool students

Preschoolers in our CISC Bilingual Preschool Program were invited by the Seattle Sounders FC First Kicks program to play soccer at the Yesler playfield this month. This activity supports an important WA State Learning Standard to promote physical literacy curriculum that develops kids’ motor skills with a soccer ball – while engaging their minds for learning!

Learn more at Ravefoundation.org/programs.
From all of us at CISC,
Please stay well!
