

Anti-Bias/Anti-Hate Program: Trends from July 2021 - August 2022

PROGRAM OVERVIEW

- Started in response to rising Anti-Asian hate crimes during the COVID-19 pandemic
- Documents confidential and anonymous reports of hate and bias in six languages: Cantonese, Mandarin, Vietnamese, Russian, Spanish, and English
- Provides educational support, resources, and referrals to impacted victims
- The intake process is trauma-informed and does not involve the police
- CISC is a part of the King County Coalition Against Hate and Bias, a community-led initiative to address racism, hate, bias, and oppression. Since 2020, CISC has collected 240 of the 560 total Coalition reports.
- From July 2021 to August 2022, CISC has responded to 30 new incidents in King County.
