JOB SUMMARY: The Medicaid Transformation Project Specialist will be a part the Medicaid Transformation Demonstration (MTD) Program, a new program that is a welcome addition to our organization’s programing for seniors and their caregivers. This position will help execute two new service programs, Medicaid Alternative Care (MAC) and Tailored Supports for Older Adults (TSOA), to help seniors and disabled adults maintain their independence in the community. The MTD Expansion Program is designed to meet the unmet needs of individuals with tailored support, in addition to In-Home Care and Family Caregiver Support, through which the best options for care and support will be sought for the client and/or their caregivers.

JOB DUTIES:

The Medicaid Transformation Project Specialist (Social Worker) works closely with the MTD team in providing high-quality support to eligible individuals and their unpaid caregivers with available options within the long-term-care support framework. Extensive outreach and frequent home visits are necessary. Through consultation and close supervision provided by the MTD Lead Worker or supervisor, the MTD Specialist will perform the following duties:

- Assist the MTD Lead Worker or Supervisor in preforming outreach activities to promote and identify MTD program clients
- Determine and screen clients’ eligibility for state funded Long Term Care programs
- Conduct comprehensive psycho-social assessment using GetCare and develop and implement an initial or ongoing plan of care
- Provide referral service to community resources; case management services in a multidisciplinary approach to service delivery; crisis counseling and intervention to individuals and their caregivers;
- Develop a care plan that maximizes the physical, social and emotional capabilities of the client;
- Provide on-going case monitoring to meet the changing needs of clients;
- Provide interpretation and translation to facilitate the communication and service coordination between clients, family caregivers and care providers
- Prepare monthly data report
• Other duties assigned.

QUALIFICATIONS:
• Familiarity with state and federal long-term care and public assistance programs
• Bachelor’s degree in social work or related human services field and one year of social service experiences preferred or Bachelor’s degree and 2 years of paid on-the-job social services. Substantial and proven years of related work experience might substitute academic requirement.
• Bilingual in English and Chinese (Cantonese and Mandarin)
• Valid Washington State driver’s license, with access to personal use vehicle for outreach and home visit, and auto insurance (Mileage Reimbursement provided)
• Proficiency in the use of MS applications such as Words, Excel, Publisher and Access and information technology in daily works.
• Employees must reside in Washington state and be within a reasonable distance to their King County worksite to respond to workplace reporting requirements.

OTHER REQUIREMENTS:
• This position requires completion of all necessary training coordinated and conducted by State of Washingtonian or grantors in order to be able to perform successfully as a MTD Specialist.

BENEFITS:
• Health Insurance (Medical, Dental, and Vision)
• Flexible Spending Arrangement plan
• Life insurance
• Accrue up to 8 hours paid sick leave per month
• Accrue up to 8 hours paid vacation per month
• Accrue up to 3 paid floating holidays annually
• 10 paid holidays annually
• 401k Retirement plan (with employer discretionary contribution + matching contribution)
• Transportation stipend (available for staff required to work at the Seattle office location)
• Hybrid Remote Schedule (After initial training period)
