JOB SUMMARY:

The Community Liaison provides home visits and ongoing support to parents and caregivers participating in the Family Support and Connection (FSC) Program, a new home-visiting initiative designed to serve approximately 50 Chinese speaking families each year. The program takes a whole-family approach, supporting children ages 0–5, along with their parents and other caregivers.

Through regular engagement, the Community Liaison offers emotional support, helps strengthen caregivers' knowledge and skills related to child development, reduces family isolation, and builds families' coping skills. The role also supports bicultural development by integrating families' cultural strengths into services.

All services are delivered with deep respect for each family's home language, culture, and values, ensuring that support is culturally responsive, accessible, and tailored to each family's unique needs.

JOB DUTIES:

- Visit assigned families one to three times a month, depending on the needs of the child and family.
- Promote positive parenting practices, build trusting, non-judgmental relationships with families, and encourage parents as their child's first and best teacher.

- Assist in planning and facilitating workshops and activities
- Assist in family recruitment and enrollment
- Complete weekly paperwork, prepare written anecdotal reports for each home visit, and conduct regular child development screenings.
