COVID-19 Testing

COVID-19 testing for people who are experiencing symptoms and/or has been exposed to someone with COVID-19. City sites have administered 1.3 million tests, and almost 60% of Seattleites used our testing services.

About COVID-19 Testing

Who can get tested?
Testable is available regardless of your citizenship/immigration status.

Getting Results
Result wait times vary based off provider. Please reach out to each specific location to learn more about their expected wait times.

Cost and Insurance
If you have insurance, Medicare or Medicaid you must provide this information and UW Medicine will bill them. You do not need to have insurance or a doctor's note to schedule a test.

When to Get Tested
You should get tested for COVID-19 if you have symptoms OR if you have been exposed to someone who has tested positive for COVID-19. Fully vaccinated people still must get tested for COVID-19 if they have symptoms or are exposed.
