Friendly Reminder: Ways to have Better Fit and Extra Protections with Cloth and Disposable Masks

- Wear two masks (disposable mask underneath AND cloth mask on top)
- Combine either a cloth mask or disposable mask with a fitter or brace
- Knot and tuck ear loops of a 3-ply mask where they join the edge of the mask
  - For disposable procedure masks, fold and tuck the unneeded material under the edges. (For instructions, see the following [https://youtu.be/GzTAZDsNBe0](https://youtu.be/GzTAZDsNBe0))
- Use masks that attach behind the neck and head with either elastic bands or ties (instead of ear loops)
