NEED TO TAKE TIME OFF WORK TO GET THE COVID-19 VACCINE?

By law, Seattle workers can use their paid sick and safe time for:

- Absences from work to get the COVID-19 vaccine, and
- Helping family members get the vaccine.

You can use your earned sick and safe leave to attend a vaccine appointment during work hours.

- If you work in Seattle and have concerns or questions about paid sick and safe time, contact the Seattle Office of Labor Standards at 206-256-5297 or submit a complaint online at www.seattle.gov/laborstandards.
- If you work outside of Seattle and have concerns or questions about paid sick leave, contact Washington Labor & Industries at 360-902-5316.
