In order to repair and replace the overhead wire system, the 1 Line will be shut down between Rainier Beach and Tukwila International Blvd. stations. A free Link bus shuttle will connect passengers between these two stations running every 10 minutes from Oct. 22-26. During this time, the 1 Line will operate every 10 minutes between Northgate and Rainier Beach and every 12 minutes between Angle Lake and Tukwila. Trains will run every 15 minutes before 6 a.m. and after 10 p.m.

Please allow at least 30 minutes of added travel time.

**PARKING (Updated):**
Between Oct. 21-27, approximately 60 parking spaces at Tukwila International Blvd. Station parking lot will be reserved for the Link bus shuttle parking. If you park at this station, consider arriving early to secure your spot or check out Angle Lake Station Garage which has availability.

*Masks are recommended by public health authorities while on-board transit.*
